Dear Sir:

In response to the Notice of Missing Parts, dated June 28, 2004, which indicates an informality in the line spacing of the claims, applicants submit a substitute listing of claims. The claims are now presented in 1 1/2" spacing to conform with 37 CFR 1.52(b), which does not narrow the scope of the claims.

Respectfully submitted,

Date: July 26, 2004
